Warrant # **055250**

COUNTY OF BEXAR }

Arrest Warrant Affidavit

Before me the undersigned authority, a Magistrate, San Antonio, Bexar County, Texas, on this day personally appeared the **Affiant, Investigator M. Terrazas #2777**, of the Bexar County Sheriff's Office, who is the Investigator assigned this case, who after being duly sworn on oath, deposes and has good reason to believe that the **Defendant; Robledo, Frank Ortega**, a white male, Date of Birth 08/26/1951, hereto referred to as Defendant did, on or about August, 2011-March, 2018 commit the offense of **Continuous Sex Abuse-Child - Penal Code 21.02**.

This Affiant has been employed with the Sheriff's Office for over 12 years and is an Investigator with the Bexar County Sheriff's Criminal Investigations Division. The Affiant is currently assigned to **ChildSafe**, a unit which investigates physical and sexual abuse of children. The Affiant has personally participated in this investigation and/or through discussions with other law enforcement personnel.

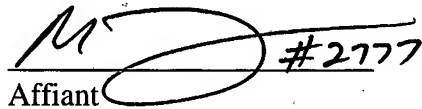

The Affiant has probable cause for said belief by reason of the following facts.

- 1.) On November 08, 2018 I was contacted by BCSO Patrol Deputy Miranda stating he was at Methodist Hospital on 7700 Floyd Curl DR for an alleged sexual assault. Deputy Miranda advised me that medical staff advised him of a 12 year old juvenile victim that was 32 weeks pregnant stating the Defendant was the suspect.
- 2.) On November 12, 2018 the juvenile victim had a Forensic Interview and recanted her original statement. The following week I was notified by the juvenile victim's mother that the juvenile admitted to lying in the Forensic Interview due to being under duress. Juvenile told her mother that the defendant told her that if she told anyone he would hurt her aunt, her mother and sisters.
- 3.) On November 30, 2018 I was notified by the juvenile victim's mother that the baby was born prematurely. On December 03, 2018 there was a recantation interview done at Methodist Hospital. The juvenile admits to recanting her original statement due to being afraid of the defendant and for the safety of her aunt, her mother and sisters. The juvenile victim stated she remembers being 5 years old when the defendant first began to sexually assault her. The juvenile stated she knows she was 5 because she was in Kindergarten. The juvenile victim stated she cannot remember how many times the defendant has sexually assaulted her but it was multiple incidents.
